

Aetious

Ceramics & Innovations

Company
Profile—

Mission

Improving living for the next generation

We manufacture wall and floor tiles that rank high on quality and aesthetic value irrespective of the place where they are applied. We are the first choice of residential, commercial and public buildings for indoor and outdoor applications. We forge a long-term partnership with all our clients by providing them excellent service. We keep our ears close to the ground to satisfy the needs of an evolving market.

Vision

Set a new
benchmark
in the
ceramic
industry

We always put the bars high & aim to achieve them with all the dynamism in design and by investing in the latest technology to make. A top-notch brand in the tiles world. We, the **Aetious** family, have promised ourselves to grow and maintain the quality of our products forever.

Values

World-class manufacturing units

Our state-of-the-art manufacturing plants ensure that the tiles we produce are of world-class quality standards. We offer the safest working conditions for our staff and comply with all local and international norms. Rest assured, you will always get the best.

345 Varieties

Our 345 + varieties and new product through continuous innovations will meet demand for all of your projects.

Zero compromise quality policy

Quality is in our DNA. Be it the selection of raw materials or the manufacturing process, or packing and transportation until it reaches you, you can see zero compromises when it comes to quality. This passion for quality is what makes us the preferred choice of architects and clients both.

Our business ethics

Our firm believes in keeping principles before profits and this has helped us achieve this stature in such a short span of time. In an industry known for compromising at the drop of a hat, we are the torchbearers who will never compromise with our quality and business principles.

Made in India

By birth, we are proud Indians, but by our reputation, we are absolutely international. By adopting the global best practices across industries, we are an Indian company by soul, but an international entity in name and body.

Our social responsibility

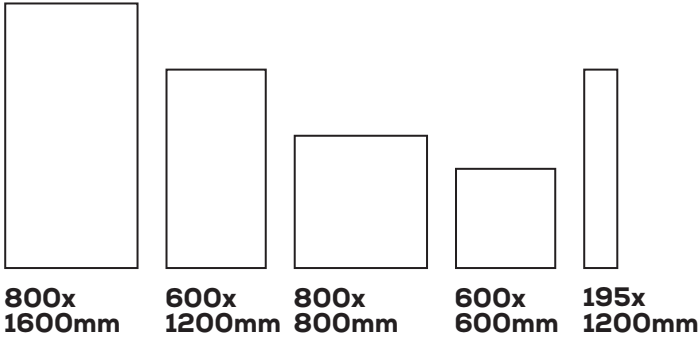

We are committed to giving back to the society that we live in. Be it providing employment, or preserving the environment, we are at the forefront. We believe that without partnering with the society at large, we may earn profits in the short-run, but not respect which will ensure our all-around profitability in the long run.

Products

Glazed vitrified tiles for the contemporary architecture

We understand what goes into your mind when you visualise a project. With the best raw material and manufacturing process, our products will bring your vision into reality. High on performance and excellent on aesthetics, our products are ideal for residential or commercial premise and also for interior or exterior applications.

Products

Wall tiles
for the
creative
environments

Very often, our tiles breathe life into your premises, against conventional wisdom and structural limitations. Unlike our competitors, we don't focus on single aspects like strength or aesthetics alone but marry the two to give you the best of both worlds.
